MOMS OFFERING MOMS SUPPORT[®]

THE MOMS CLUB[®]

(MOMS Offering Moms Support[®])

is a group designed especially for stay-at-home moms and moms who work part-time (including moms with home-based businesses)! Often moms who choose to stay at home feel isolated and disconnected. We are local moms with children of all ages who have come together to offer one another support, resources, and friendship. As an International nonprofit organization, we also coordinate fundraising and other assistance for families in need.

AS A MOMS CLUB MEMBER...

you will be invited to enjoy many activities with your children each month, such as play-dates, field trips, pool days, and holiday parties.

There are also activities just for adults, for example, MOMS Night Out!

This is a club for you. You can attend the already planned events or coordinate ideas of your own.

The main goal of the club is to provide support, to help each other, so that moms are not isolated.

We know being an at-home mother today means making a financial sacrifice, so dues to our chapter are only \$25.00 per year. You'll soon receive our monthly calendar and newsletter and will be signed up for our online community/message board. All you need to do is send an email and show up to an event to start meeting other local moms. We look forward to you joining us!
