Interested in increasing sales? **Call us today!**

The MOMS Club (MOMS Offering Moms Support) is a group designed especially for stay-at-home moms and moms who work part-time (including moms with home-based businesses)! We are local moms with children of all ages who have come together to offer one another support, resources, and friendship. As an International nonprofit organization, we also coordinate fundraising and other assistance for families in need.

Each month, the MOMS Club publishes a 12-15 page newsletter containing club business information, articles, fun facts and advertisements for its members as well as any moms interested in becoming members. Our newsletter is circulated to nearly 50 families in the Canyon Country, Newhall, Valencia, Saugus areas - most are families with two or more children. Our readership is even larger with friends, potential members, etc. included.

Advertising with our chapter's newsletter gives your business direct access to local families. Some of these busy moms' only link to our local community is through our chapter and newsletter. Reach out to these potential customers and see where your business goes!

Our rates are extremely reasonable and affordable for a company of any size. Rates for 3-month intervals are as follows:

Full Page \$40

Half Page \$30

Quarter Page \$20

Business Card \$10

We are also open to trading services for free advertising as well as offering one month's free advertising for any company who speaks at one of our monthly meetings. Just ask us how!

* The dollars received from ads are considered "charitable" and, with a receipt, can be tax-deductible. Please make checks payable to "MOMS Club". Payment and ad copy are due the 10th of the month for publication the following month.
